

## LOUISIANA NATURAL AND SCENIC RIVERS SYSTEM

**PERMIT APPLICATION**Permit # 882 (Assigned by Department)

The Louisiana Department of Wildlife and Fisheries' Scenic Rivers program is authorized by LRS title 56, Chapter 9 Part II. This law requires permits authorizing activities in or affecting rivers that have been designated by the Louisiana Legislature as Natural and Scenic. Information provided on this form will be used in evaluating the application for a permit. Information in this application is made a matter of public record through issuance of a public notice. Disclosure of the information requested is voluntary, however, the data requested are necessary in order to communicate with the applicant and to evaluate the permit application. If necessary information is not provided, the permit application cannot be processed nor can a permit be issued.

Date

# 1. Complete description of the proposed project

There will be an addition to an existing camp that has been there over 30 years. The addition will be a 20x32 space that will include two bedrooms, a bathroom, and an open space/living area. The existing camp is approximately 36x32 with one big room with beds and a kitchen in the same space. It has no living room and a small bathroom. I also has a small shed and porches . There is a bottom deck w/ boat slips also existing .

See attached drawings.

## 5. An environmental assessment

### a. Existing Land Use

There is an existing camp that measures 32'x32' on a lot that measures 113'x100'. The existing camp is on mud seals. This lot contains numerous trees on the property, none of which will be cut down and only two with minor trimming alterations.

### b. Historical/Archeological Sites

No impact. There are no known historical or archeological sites.

### c. Economic Impact of the Project

No impact. There will not be any confliction with commercial use or residential property in the area.

### d. Wilderness/Rural Quality

No impact. The project will be consistent with other projects on the river.

### e. Scenic/Aesthetic Value

No impact. Quality material will be used to insure aesthetical value of the river.

### f. Recreational Use/Opportunities

No Impact. There is an existing camp that has been there over 30 years.

### g. Ecological Systems Present

No impact. There are not any known nests or dens or habitation of wildlife and it will not restrict future habitation.

### h. Fish and Wildlife in the Area

No impact. All practices will be observed to protect any habitat.

### i. Botanical Elements (Vegetation)

Minimal impact. There will be slight trimming of two trees. There will not be any trees cut down.

### j. Geological Features

No impact. There will be no impact and no erosion on site and no extraction.

### k. Hydrological Features

No impact. The project will not cause restriction or cause channelization of the river.

### l. Water Quality/Quantity

No impact. All practices will be observed to conserve quality and quantity and will not restrict the river in any way.

## State of Louisiana

BOBBY JINDAL  
GOVERNOR

DEPARTMENT OF WILDLIFE AND FISHERIES

ROBERT J. BARHAM  
SECRETARY

Dear Scenic River Permit Applicant:

Please review and concur on the following statement regarding the issuance of permits by the Louisiana Department of Wildlife and Fisheries. This agreement must be signed and returned before a Scenic River Permit can be issued.

"I have been advised and do understand that by applying for and accepting a Scenic Rivers permit issued by the Louisiana Department of Wildlife and Fisheries, I am being allowed to engage in an activity which would otherwise be prohibited by law or for which a permit is required. I understand that the permit is not a license and confers no property right upon me. I specifically agree to abide by all State and Federal fish and wildlife laws and regulations, and all State and Federal laws and regulations which relate to this permit or the permitted activity, and by all other terms and conditions of this permit. I understand that the permit for which I am applying may be suspended, annulled, withdrawn or revoked and that I may be assessed civil penalties, all in accordance with the provision of the Louisiana Administrative Procedure Act, and that I may be denied future permits as a consequence of my failure to fully and completely comply with the terms and conditions of the permit, as well as other laws and regulations pertinent thereto. If served with or notified of a cease and desist order signed by the Scenic Rivers Administrator, I agree to immediately and without delay cease all activities and operations which relate to the permitted activity or which are impacting the Scenic River, until such time as the matter can be resolved in an adjudicatory hearing pursuant to the Louisiana Administrative Procedure Act. I understand and agree that any permit issued to me by the Louisiana Department of Wildlife and Fisheries is in the nature of a privilege which is being voluntarily extended to me by the Department and the failure on my part to cooperate with the Department can result in the loss of the privilege conferred and the denial of future requests for permits. By accepting this permit, I evidence my agreement to be bound by all conditions and stipulations set forth herein."

Donald Calava Jr.

Authorized Signature

8/29/13

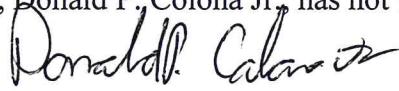

Date

REV. 12/7/98

7. Statement of compliance history

The applicant, Donald P. Colona Jr., has not been cited for a violation of the Scenic Rivers Act.

A handwritten signature in black ink, appearing to read "Donald P. Colona Jr.", is written over the printed name in the text above.

8. Steps to minimize and/or offset potential impacts of the scenic river

- a. No trees will be removed or harmed
- b. No creosote treated wood or toxic product will be used on this project
- c. Construction will not intrude into the river nor obstruct boating traffic
- d. Sound construction methods to insure scenic value and natural habitat of the river.

9. Listing of alternatives to the proposed project

If property is left dormant aesthetic value will be lost.
